"Drowning by numbers"

Immagini: Studio Fotografico Àlfrin [www.studioalfirin.it]

Studio Àlfrin è un laboratorio di ricerca e creazione di immagini che opera nel settore della pubblicità e della comunicazione dal 2003.

Il progetto "*Drowning by numbers*" riguarda lo studio dell'interazione fisica tra liquidi di viscosità diverse, ed è stato dedicato dall'inizio della sua elaborazione alla realizzazione di questo calendario. Lo spettacolo messo in scena da questa ultima ricerca visiva propone allo spettatore uno sguardo ravvicinato ad un relazione puramente fisica tra gli elementi, offrendo in questo modo un' originale esperienza estetica.
